

HIGH-FLYING FUN WITH...

FACT & OPINION

COACH QUILL SAYS:

A **fact** is a statement that's true, while an **opinion** is a belief. An easy way to tell them apart is that facts can be proven and opinions cannot. It is a **fact** that racing pigeons are birds. But it's an **opinion** that racing pigeons are the best birds in the whole wide world (though the High Flyers might try to convince you otherwise.)

What's the truth?

There have been a lot of rumors flying around the High Flyers loft. The team needs your help separating fact from opinion. Read the statements below and circle the correct answer. Complete the scene with color.

1. Pigeon racing is the best sport ever invented.

FACT | OPINION

2. Racing pigeons have homing instinct, which helps us find our way back to the loft.

FACT | OPINION

3. Not only are we smart, we're beautiful too.

FACT | OPINION

4. We wear race bands on our legs to identify us and track our time.

FACT | OPINION

5. The ride to the race is a load of laughs.
